

Rubick the Grand Magus

Magic in Dotaverse

- Magic is Knowledge
- Takes long time to learn anything related to magic
- It can take a lifetime to create your own spell
- Normal spellcasters might know one spell while more prestige ones know up to 3
- Only entities like gods know more than 4
- Strongest Wizards are called Magus

Aghanim

Aghanim

- Strongest wizard known in Dotaverse
- Demigod status
- Learned to alter Time and space itself
- Only things left behind:
 - His staff
 - His Son Rubick

Aghanim's Scepter

- Power to alter Reality and History
- Whoever holds it thinks it is theirs and that it was meant to be held by them
- Every culture has a different name and History for it
- Changes form to fit the person that holds it

Rubicks life

- As the Son of Aghanim he is hunted since a young age
- Others might despair of so many murder attempts
- Rubick enjoys it and learned from it
- after the 8th attempted thought he might have the potential to become magnus
- after the 12th attempt he got bored of it.

- publicly challenged a Magus
- challenging one means to challenge all Maguses
- to his surprise they all showed up to fight him
- they fought 1 week straight
- He defeated them all with their own magic
- after this he got the rank of Grand Magus as he was the only one left
