look at this. When Adrien had to kiss Chloe, he leaned *away*.

When he had to kiss Marinette, he leaned *in*.

He got nervous, because their hands touched...

He tries to impress her as Chat Noir.

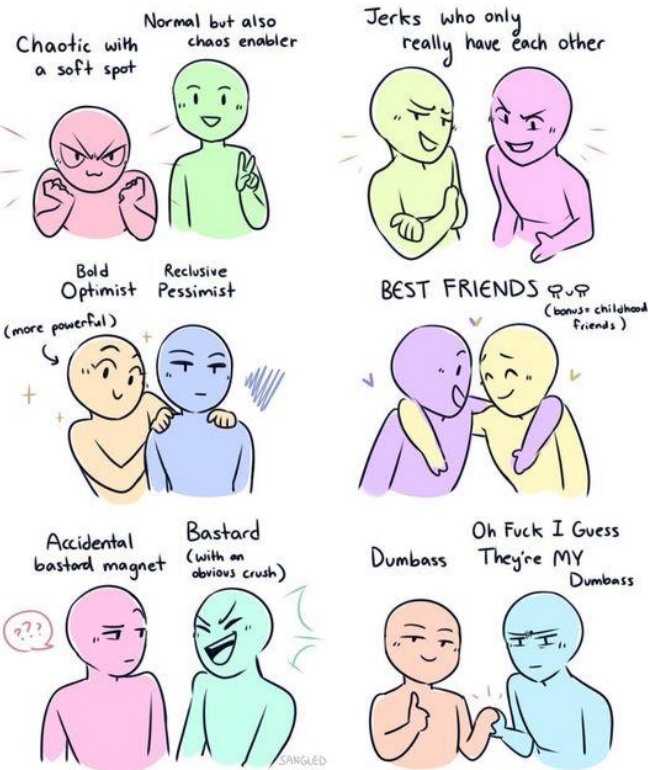

and the only other person Chat Noir tries to impress is Ladybug...

HE TOTALLY LIKES MARINETTE; BOTH SIDES OF HER. HOLD ME I CAN'T I JUST WANNA CRY LIKE OHMYGOD WHAT IS THIS EVIL KID SHOW THAT TOYS WITH MY EMOTIONS

WHAT DO YOU THINK ABOUT THIS?

Imagine your OTP

Person A: Did it hurt?

Person B: *rolls eyes* Let me guess, when I fell from Heaven

Person A: No

Person B: What?

Person A: *grins* Did it hurt when you fell for me

Shipppping: WHYYYY?

- You're lonely
- You have no (love) life
 - (and if you do it's too boring)
- You deserve to **feel** something in this miserable world

When someone is about to casually ask how your life is going but it's an absolute shitshow

- He's been warned.

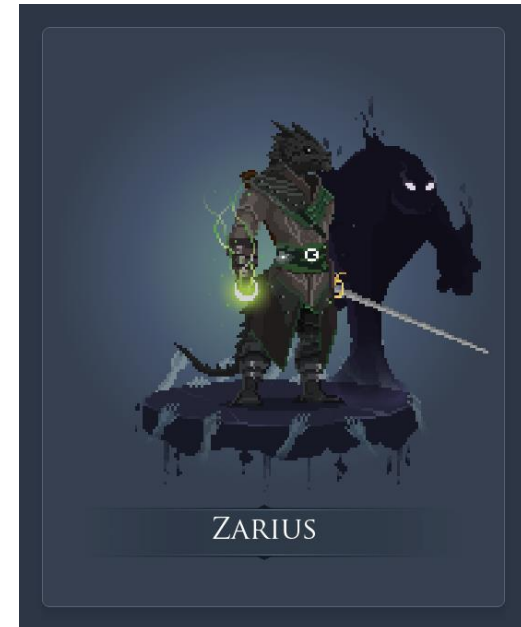

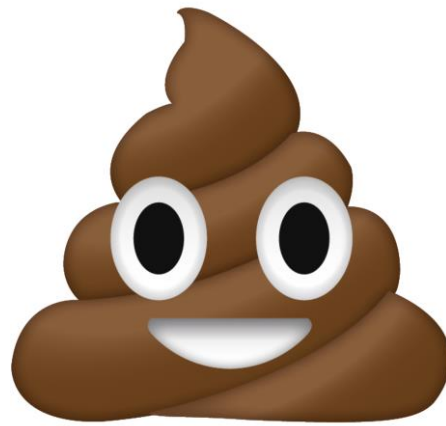

Hallbjorn x Masq
