

why we we should adopt a  
skaven

we totally should should

# benefits of having a Skaven

- good at sneaking and assassinating
- are good with technology / ~~warpstone~~ blackstone
- don't need much to survive
- are really versatile fighter ( knives, daggers, swords, guns, bombs)
- are cute and shy (like to skitter in the dark, plot against their enemies)
- are pack animals so they need a big and friendly group like us

LOOK HOW CUTE THEY ARE

LOOK HOW FREAKING CUTE THEY ARE
